ABOUT US

At Shriram Properties, our essence lies in crafting dreams and nurturing vibrant communities. With a portfolio of 46 thoughtfully developed projects spanning over 25 million square feet, primarily in Bengaluru, Chennai, and Kolkata, we've touched countless lives by fostering a sense of belonging. Rooted in practicality and functionality, we, as a real estate developer, reflect our commitment to sensitivity and care, prioritising safety measures and thoughtful amenities that cater to all our stake holders. Guided by our ethos of sensibility, sensitivity, spirit, and style, each project aims to create dynamic and engaging experiences that foster a supportive and harmonious environment for a perfect community living.

WHO ARE WE?

We are one of the leading residential real estate development companies in South India, primarily focused on the mid market and mid-market premium housing categories. We are also present in the plotted development segment. We commenced operations in Bengaluru in the year 2000 and have since expanded our presence to other cities in South India, i.e., Chennai, Coimbatore and Visakhapatnam. In addition, we also have a presence in Kolkata in East India, where we are developing a large mixed-use project. We have demonstrated a track record of having delivered 44 projects accounting to a saleable area of 24.4 million square feet as of March 2024. We also have a strong pipeline of 42 projects with 42.1 million square feet of area.

SPL NxT

SPL 25 Years Journey

25 YEARS AGO, it all started with a dream to build change in the real estate market. As a fledgling player under the mentorship of the Shriram Group, we dared to run a race against some of the country's most established real estate brands. In the past 25 years, we have watched an entire generation move into their first home and make cherished memories with their loved ones, helped them build vibrant residential communities and seen them upgrade their life styles. In keeping with evolving market realities, we are ready to build for the next generation.
